5.0 CONSTRUCTION SECURITY DEPOSITS

5.1 The following table in this section of the By-Law outlines the Security Deposit amounts for all construction and/or renovations, which shall be paid to the SIPD by the Owner prior to the SIPD's issuance of a Building Permit.

5.2 Security Deposits shall be refunded in accordance with the following requirements:

- a) The Building Inspector has conducted a final inspection of the subject property and has confirmed that all construction and/or renovations have been completed pursuant to the permit, and that all associated documentation has been submitted to his/her satisfaction.
- b) All construction and/or renovations pursuant to the permit have been completed to the satisfaction of the Building Inspector within three (3) years of the issuance date of the said permit. Failure to complete the construction and/or renovations to the satisfaction of the Building Inspector within three (3) years of the permit issuance date shall result in a punitive deduction of 50% of the Security Deposit amount, which will not be refunded. The SIPD may extend the three (3) year deadline for an additional period not longer than 24 months if a written request is received by the SIPD before the initial deadline.
- c) The SIPD shall refund the Security Deposit paid pursuant to this By-Law to the Owner.
- d) The SIPD may refund the Security Deposit to a different party if, in the opinion of the SIPD, such Security Deposit has been assigned in writing to a different party by the Owner.
- e) All Security Deposits associated with permits, which have not been completed or claimed within ten (10) years of the date the permit was issued, shall automatically be forfeited to the SIPD.
- f) If an Owner completes their deficiencies relating to the open permit for their property, and makes a claim for the return of their Security Deposit after ten (10) years from the date the permit was issued, the Manager for the SIPD shall use their discretion, on a case-by-case basis, to determine whether the Security Deposit will be returned to the Owner. The decision of the Manager of the SIPD regarding a request for the return of a deposit is final and binding.
- g) Forfeited Security Deposits do not reflect completed permits.
- h) Open permits shall continue to run with the land and shall be the responsibility of the Owner.
- i) Notwithstanding Section 5.2(a)-(h), the SIPD shall refund 100% of a Security Deposit associated with a cancelled Building Permit, on condition that the construction authorized by the Building Permit has not been commenced.

6.0 PENALTY FEES ASSOCIATED WITH PERMITS

- 6.1 The following table in this section of the By-Law outlines penalty fees associated with permits, which shall be paid to the SIPD within 30 days of written notice of the penalty from the SIPD. Failure to pay the penalty within the prescribed time limit may result in additional penalty fees, as outlined in this Section, and the revocation of the applicable permit(s).
- 6.2 Penalty fees may be appealed to the SIPD Board if an appeal is provided in writing to the SIPD within 30 days of the written penalty notice. After considering the appeal, the SIPD Board shall pass a resolution upholding, overturning, or modifying the penalty fee as the Board sees fit.
- 6.3 In consideration of Sections 6.7, 6.10, and 6.11 below, each occurrence following the first occurrence shall be indicated in an SIPD notice to the Owner, and if applicable, the Tenant. The Owner and Tenant shall be given a minimum of 14 days to resolve an occurrence before being charged a subsequent penalty, unless the SIPD determines that for safety purposes the deadline should be reduced, in which case the deadline may be reduced at the discretion of the SIPD.
- 6.4 The SIPD reserves the right to cease all plan review and inspection services regarding a given application/permit file until all outstanding penalty fees associated with said file have been resolved.
- 6.5 The General Manager is authorized to waive all or part of a penalty fee when he/she is satisfied that the imposition of the fee would be unfair in the circumstances and that the applicant acted reasonably.
